United Way
of Trumbull County

United Way of Trumbull County has been making an impact in our community for more than 100 years. But we can't do it without business partnerships like yours. When you sponsor United Way, you impact local lives across the county.

A sponsorship feels good, but it also makes good business sense too! Your company and brand will be put in front of community leaders, corporations, and families throughout our community.

Please join us as we ensure that children, individuals, and families have the opportunities they need to THRIVE!

Sponsorship Opportunities

- Annual** Make the most impact with an annual sponsorship that will highlight your company at events and activities throughout the year. An annual sponsorship will provide the most brand recognition while helping the most amount of people right here in Trumbull County.
- Per Event** Sponsor the event of your choice during 2024. Multiple sponsorship levels are available for each event for businesses of all sizes.
- Matching** Consider a contribution for a matching campaign. Nothing motivates people more than knowing their donation will be doubled! If you contribute \$2500 or more we can turn it into \$5,000 or more while promoting your brand for a good cause.
- Program** If you would like your company name to be associated with a United Way program, please consider a sponsorship of \$5,000 or more. We will promote your company on materials and in media related to programs such as United "4" Kids, Healthy Families, or United Way Works. Call our office to learn more.
